## PRESIDENT'S MESSAGE

### Goodbye 2023, Hello 2024

Before we close for the holidays, I would like to look back on our club's activities during the first half of this Rotary year. So I asked the Secretariat to prepare a West Side Story-Yearend edition to help us reminisce these moments we've shared with our brothers in Rotary as well as take stock of what we have accomplished so far.

Like I said earlier, I believe that our club has indeed contributed to creating hope in this world through our projects.

On July 2, the day of my inauguration as club president, we kicked off our fundraising activity with a golf tournament in honor of our late past district governors (PDGs). We raised Php1.5 million from this, all for the benefit of PolioPlus, Gift of Life, and Adopt-a-Tree Project.

For our Gift of Life project, we have already done 134 heart surgeries during the first six months covering the period of July 2023 to the present. This puts us on track to hit our

## Be the GIFT of HOPE

target of 300 heart surgeries by the end of this Rotary year. We have also extended 1,438 medical assistance through the help and support of Congressman and Makati West Director Paul Daza.

What's more, we were also able to sign a memorandum of understanding for the Philippine Heart Center to become our new partner institution for the Gift of Life Program. This means we'll have more access to affordable surgeries for our GOL program.

For our Gift of Sight (Cataract surgery) project, we have so far done 22 eye cataract surgeries. More of these can be done once we get additional funding for this soon.

For our Gift of Mobility project, we've measured 32 limbs of potential beneficiaries; and was able to turn over the prostheses for 16 or half of this number at the UERM and Mobile Van in partnership with the Physicians for Peace headed by Dra. Josephine Bundoc. We are awaiting another global grant and funds from a local organization to be able to do more.

On October 27, we also introduced another Gift program - the Gift of Hope, which is an educational initiative that is in partnership with the Knowledge Channel. Through this program, we have started to provide public school students with the Knowledge Channel Portable Media Library and Desktop Computers, thus giving them the tools to succeed in whatever endeavor they wish to pursue. Initially, I had a target of 10 schools for this Rotary year but I am proud to announce that we now have pledges for 27 schools. I thank everyone who committed their support.

For our Breast and Cervical Cancer Screening (BCCS), we held batches of screening in partnership with several rotary clubs, namely Makati Premier District, Makati Gems, Parañaque East and Poblacion. Almost 400 women were screened from five locations in Metro Manila and neighboring provinces like Cavite and Batangas.

This rotary year, we chose golf caddies in the following golf clubs as our BCCS beneficiaries: Tagaytay Highlands, Alabang Golf and Country Club, Riviera Golf and Country Club, Summit Point Golf Club, Manila Golf Club, Phil Navy Club, and Capitol Steel - Baesa QC.

Furthermore, we have turned over 25 wheelchairs in partnership with Rotary Club of Manila 101 through the efforts of PRID Guiller Tumangan

We also spent two weekends repainting houses and common areas at GK - Makati West Village in Pinagsama, Taguig City. This is an over-a-decade old community composed of 50 houses donated by RC Makati West in 2009.

On top of that, we had our weekly meetings and was also able to celebrate RCMW's 54th anniversary last month with no less than The Rotary Foundation (TRF) Vice Chairman Bharat Pandya and DLSCM's Dra. Louisa Go as guests of honor. This special event was also attended by District leaders, dignitaries and our friends in Rotary.

Our RCMW golfers also continued to bring pride to our club by winning the team championship in the 1st Leg of this Rotary year's Governor's Cup Golf Tournament held at the Riviera Golf Club on September 19. We are on track in defending our crown as the overall district golf tournament champion in the past two years.

All told, these past six months have given me the opportunity to serve others and grow as a person... as a Rotarian. Because of this, I will never tire of thanking all of you, my dear brothers in Rotary, as well as my family, FL Sheila and our kids, and the rest of the Anns. As I love to say, you too, our dear Anns, are Makati West.

For the second half of this Rotary year, I hope we can keep the momentum to continue creating hope in this world and be the gift of hope to others. Hope we'll all have a restful break and come back in January with renewed passion and commitment to do more for our fellowmen, the communities, and our nation.

Thank you very much. God bless us all!
