PRESIDENT'S MESSAGE

Starting my journey as RCMW's 55th President

First of all, let me thank IPP Franco del Rosario for his successful term as our president. Last rotary year, we agreed that our call to action was "Increasing our Capacity to Serve", and IPP Franco was able to accomplish this despite the pandemic. Among his many achievements, RCMW under his leadership was able to save 141 lives under our Gift of Life program, and raised funds for us to continue saving more lives this year.

Rest assured that I will continue to increase our capacity to serve during my term. And you shall remain our North Star, kuya. Maraming salamat!

My love affair with the Rotary Club of Makati West actually started in 1991, when this club gave Nestle an award for its "Sa Mata ng Bata" ad campaign that taught adults to be better examples for the youth. This was the very first TV commercial I handled for Nestle.

The many awards "Sa Mata ng Bata" garnered, including the one from this club, inspired me to create more campaigns to uplift our society and humanity.

From the "Ako Mismo" citizens movement of Smart, to the most recent "ResBakuna" of the Department of Health, as well as our CSR initiatives under DDB Cares, we at DDB have built campaigns designed to impact society positively.

In 2011, RCMW invited me as a speaker and soon after, I was inducted as a member.

Early on, I was so amazed with the seriousness of the members in wanting to help others... in making a difference. I was truly inspired watching how the members especially the past presidents of this club worked.

Pres. Gil Chua during his inaugural address.

Now, I stand before you as your President. You have trusted me to become your leader. I am so humbled and will be your servant leader. To me, this is not just a title or a task, but a great honor and inspiration.

This rotary year, we have a new theme - "Imagine Rotary". Let us take a step further. Let us harness our collective IMAGINATION and put it into ACTION. This is what I will call - ImaginAction.

Imagine Rotary... ImaginAction. Because we are men not just of words but of ACTIONS! We will turn our actions towards having more people who can see again, walk again, work again, breathe again, and live again. There is no limit to what we can accomplish together in helping our fellowmen because there's no limit to our imagination and our action!

It's never the work of one man, but that of a whole team that runs in one direction with one goal in mind. And that's what our new RCMW theme logo shows - one team in action.

I take my hat off to PP Al Thomson and IPP Franco for all your achievements under very challenging pandemic years at that. Mine is the third pandemic year, but hopefully, it will be easier as we've taken to heart the lessons we have learned in the past two years.

I hope to be able to continue what you have started, while hopefully coming up with new ways to spur our members to action. I know we have been working hard already, but again, we need more people - ALL OF US to work harder.

As I always tell my people at DDB, "All of us is better than the best of us." In the end, it's always

the teamwork that makes the dream work. It's what turns imagination into action.

We have a lot to do to further fulfill our mission to uplift society with our time-tested programs as well as new initiatives. But this I can promise, it's not going to be all work, because having fun is in the Rotary Club of Makati West's DNA. Know that, here at the Rotary, we are each other's family. Let's have fun together!

Pres. Gil with the Masters of Ceremonies, PP Fern Pena and PP Lito Jimenez

We are all gifted here at RCMW but there is one gift I humbly request from you - it's called PRESENT.

Let's be PRESENT as much as we can... in our meetings, in our community activities, as well as in our fellowships. With the many challenges our country is facing, now is the time for us to show up, to make more of a difference while enjoying our time together.

I pray that we can come together to achieve greater things this rotary year as we are truly Men of Zest - dedicated to helping others and in uplifting society in the way we know best - SERVICE.

Maraming salamat mga kuya ko.

Let's keep rocking!

Pagpalain nawa tayo ng Panginoong Diyos.
