PRESIDENT'S MESSAGE

HIV Caravan

Dear Zesters,

The Department of Health (DOH) and PhilHealth have recently enhanced cardiovascular care support, with PhilHealth's Z Benefits Package for open-heart surgeries increasing coverage effective March 1, 2025, for procedures such as Coronary Artery Bypass Graft (CABG) and Ventricular Septal Defect (VSD) repair (PhilHealth expands coverage for heart surgeries up to P1M). This national initiative aligns closely with our club's commitment to maternal and child health through the Gift of Life program, underscoring our shared goal of improving lives across the Philippines.

Gift of Life Program: Reaching 301 Cases

We are proud to report that our flagship Gift of Life program has achieved a milestone of 301 cases, a testament to the transformative power of our collective efforts. In the coming days, we are supporting several children with critical surgeries:

March 27, 2025: A five-year-old from Negros Occidental, endorsed by Dr. Jun Peralta, is scheduled for urgent open-heart surgery at National Children's Hospital.

March 17–19, 2025: At De Los Santos Medical Center, surgeries include:

March 17: A four-month-old from Muntinlupa City and an eleven-year-old from Benguet.

March 18: A five-year-old from Mountain Province.

March 19: A thirteen-year-old from Bohol.

These procedures are made possible through the DOH's Medical Assistance for Indigent Patients (MAIP) program, with funding from senators and Congressmen.

We extend our appreciation to all partners for their role in these life-saving efforts.

Upcoming Events

Please mark your calendars for the following opportunities:

1. District 3830 Conference: Scheduled for April 4, 2025, at SMX Convention Center, Manila, this event offers valuable networking and educational opportunities. Further details on speakers and sessions will follow.

2. Golf Tournament: Hosted by the Rotary Club of Makati Premier District on March 28, 2025, at Canlubang South Course, this event provides a chance to relax and support a worthy cause. Registration is urged by this Friday, March 28.

HIV Testing Caravan Update

On Friday, we joined a productive meeting with Ben of TRW and student representatives from Pamantasang Lungsod ng Maynila (PLM) to finalize the plans for the upcoming HIV testing caravan, set for April 23–25, 2025, in celebration of the school's Pride Week.

The event will occur on the PLM campus at General Luna corner Muralla Streets, Intramuros, Manila. Unlike previous caravans, the forum will be held via Zoom on April 11, 2025, targeting student leader organizations, allowing more time for on-site testing during the event dates.

The budget request of P299,820 has been submitted, and we have emphasized the need for proper sales invoices and receipts, as an audit will be conducted to ensure accountability. Separately, I revisited the Rotary International (RI) budget and noted an approved line item of P71,398 for two laptops. I propose allocating these for office use by Jameson and Michael, whose current laptops—over 13 years old and generously donated—are in need of replacement.

After a change in RI's contact person, I emailed RI in January 2025 for confirmation and received approval to proceed. This upgrade will enhance our operational efficiency, and I seek your endorsement to finalize the purchase.

Rtn. Robin Garcia

We are honored to host Rotarian Robin Garcia, President and CEO of WR Advisory Group, who will deliver a presentation titled Global Changes and

Their Impact on the Mid-Term National Elections in May 2025. Mr. Garcia will explore the Philippines' economic resilience, geopolitical tensions, human rights concerns, and the youth's growing influence on issues such as climate change and education.

Subject: Request for Sponsorship and Funding Support for Timoteo Paez Integrated School

Dear Mr. Laperal,

Greetings of peace and love from [CORA \(Communities Organized for Resource Allocation\)](#), a nonprofit organization that fosters sustainable development through inclusive programs led by women, youth, local communities, and volunteers to help build a more just and resilient future for people and the planet.

I would like to extend my sincere gratitude to the Rotary Club of Makati West for warmly accommodating us last Thursday and for your invaluable support of our initiatives. We truly appreciate the opportunity to present our advocacy and are deeply grateful for your commitment to advancing sustainable and impactful solutions for communities in need.

Following our discussion, we would like to formally request funding support for **Timoteo Paez Integrated School**, the winning school in Manila under our **Eco-Champs initiative**. We are seeking a donation of **PHP 700,000.00** to CORA, which will oversee the overall **implementation, management, and completion** of the sustainable classroom construction. The scope of support includes:

- The use of **sustainable materials** for the structure
- **Fixtures** such as upcycled armchairs, tables, shelves to enhance the learning environment
- **ICT equipment** to support digital learning and educational access
- **Branding and recognition** that will prominently feature the **Rotary Club of Makati West logo** in appreciation of your generosity and commitment to education and sustainability

With your support, we aim to begin construction in April and complete it by June 2025, ensuring the facility is ready for the next school year. This initiative aligns with our shared mission of promoting education, sustainability, and youth empowerment by creating an innovative and eco-friendly learning space for future generations.

We sincerely appreciate your generosity and continued support of **CORA and the Eco-Ikot Center**. We look forward to collaborating with the **Rotary Club of Makati West** to create a meaningful and lasting impact on the students and their community. For any further information or clarification, please feel free to contact me or our Program Manager, Ms. Aiyana Montoya, at aiyan@wearecora.org or +63 919 002 8548.

Thank you for your unwavering dedication to our shared mission for people and the planet.
