PRESIDENT'S MESSAGE

Kudos

The first thing I would like to talk about today is how awesome our District Conference had been. It made me prouder to be a Top Gun president under the leadership of Governor Jay Tambunting. Who would have thought that we would really fit into a Top Gun theme - with all that amazing backdrop and military-inspired #OOTDs. I heard people at the hallway asking whether there's really a military or air force convention that day. We also look good in the photos.

A big congratulations, Gov. Jay and to all the Rotary Club of Makati West members who contributed to the event's success. First on that list of course are DISCON 2024 Committee Chairperson Gil G. Chua, Co-chair PP Lito Jimenez, District Secretary PP Mon Guevarra, Programs Co-Chair PP Eric Angeles, Marshals Team Co-chair PP Bobby Cabral, Treasurer Judd B. Balayan and Rtn. Bobby Vito.

Of course, the DISCON also had Cong. Paul Daza as panel moderator, Rtn. RJ Ledesma as host during the Governors ball, and PP TG Limcaoco as one of the distinguished speakers on Day 2.

I know there are more club members who helped the DISCON come to fruition. On behalf of the club, thank you all for your support that really elevated the club's reputation in such a special gathering as the DISCON.

For those who were able to attend, thanks for giving me the loudest cheer during the Top Gun Presidents' march and to every moment where there's an opportunity to cheer for our club and our club members. These instances include Gov. Jay's speeches and appearances, PP Gil Chua's speeches, and most especially during the speech of PP TG Limcaoco. We all had fun cheering for our fellow Makati West Rotarians.

Thank you also to our RCMW staff - Kai, Jameson, Mike and Von for being there as well. Thanks as well to our Rotaractors and our satellite club members who helped in "Maintaining Peace" as they served as ushers and marshals during the two-day event.

Project Updates

Let me now give you some project updates for this week.

For our Gift of Life (GOL) program, RCMW and the Gift of Life International sponsored 10 patients operated at Batangas Medical Center on May 13 and 14. The medical team from the Philippine Heart Center performed the surgery. These patients are residents of Batangas who are no longer required to travel to Manila.

There were also three PDA Device Closure procedures done on May 9 and 14 at the Phil. Heart Center.

This brings to 240 our total GOL surgeries this Rotary Year. We have also assisted to date a total of 2,396 indigent patients from Cong. Paul Daza fund.

The next schedule of GOL operations will be on May 28 & 30 with 23 patients at the De Los Santos Medical Center, and another batch of 15 patients on June 5.

For our Gift of Sight (GOS) program, we performed the fourth batch of our cataract surgeries with 34 patients on Saturday, May 11, at Medsurge Eye Center, bringing to 134 our total of eye cataract surgeries funded by the Global Grant. Our next schedule will be on June 15, 2024 for 40 to 45 patients.

For our Breast and Cervical Cancer Screening Project, we held a screening activity last May 6 in Barangay Apolonio Samson, Balintawak, Quezon City. Of the total of 54 women screened, 10 were found positive for breast mass. They were referred to Quezon City General Hospital for ultrasound, biopsy, and surgery for free.

So that's our updates for this week. Feel free to approach me, our project chairs or our secretariat should you want to know more about our weekly schedules. Feel free to join us in any of these activities.

Our Guest speaker, the French Ambassador

We are very fortunate to have for our guest speaker for today's lunch meeting no other than Her Excellency Marie Fontanel, Ambassador of France to the Philippines.

Her talk will definitely enlighten us on France and Philippines' diplomatic and bilateral trade relations. Be ready with your questions and I hope we can make most our time with her this afternoon.

Big thanks to everyone for your support. God bless us all!
