PRESIDENT'S MESSAGE

Countdown

The countdown to the end of my term as club president has begun. As you know, my term encompasses one Rotary year which traditionally ends on June 30th.

So we only have a few remaining weeks of RCMW being under my leadership. I've heard it often from the past club presidents that time would fly so fast when you are leading a rotary club - especially RCMW, one of the biggest and busiest in District 3830, modesty aside.

Time indeed flew so fast for me because I was having fun - I'm happy to experience this opportunity to serve as your president, Men of Zest. You are some of the finest gentlemen I've known in my life and it's a privilege to have served as your president for this Rotary Year that is aptly themed "Create Hope in the World."

We're preparing a year-ender report via West Side Story to summarize what we have accomplished this Rotary Year. We have done ourselves proud. And there are still a few weeks left.

We still be having our weekly lunch meeting in these few remaining weeks of my term, a Club Awards Night, perhaps one or two more fellowship activities. Hope you are able to participate in our activities for the remainder of this month.

Project Updates

Let me now give you some updates on our projects this week.

For our Gift of Life (GOL) program, we have done so far, a total of 271 surgeries this Rotary year, including the 12 operations done yesterday. We have 16 more operations scheduled at the De Los Santos Medical Center (DLSMC) on June 13 and another batch of eight patients on June 19.

We have also assisted to date a total of 2,494 indigent patients thanks to the assistance provided by the office of Cong. Paul Daza.

For our Gift of Sight (GOS) program, as I mentioned last week, a new batch of eye cataract patients are being prepared for cataract surgery scheduled on June 15 at Medsurge Eye Center.

For our Breast and Cervical Cancer Screening Project, the following is our schedule of screenings: June 15 in Las Pinas; June 16 in Imus, Cavite; June 22 & 23 in Pila, Laguna; June 24 in Victoria, Laguna; and July 25 in Gen. Trias.

So that's our updates for this week. Feel free to approach me, our project chairs, or our secretariat should you want to join us in any of these activities.

Taking Charge of Your Health

In our lunch meeting today, we have for our guest speakers Mr. Derrick Chan, Managing Director for Greater China of Fullerton Healthcare Group and Ms. Carmie De Leon, Country General Manager of RadLink Philippines. They specialize in designing customized medical services for corporate and insurer clients. So, let's listen to their talk intently because I'm sure we will pick up pointers on how to further improve our healthcare benefits for our employees.

So, that's all for my weekly update. Thank you for your support, Men of Zest! God bless us all!

Juan Antonio "Dax" T. Carlos
President, RY 2023-2024
