PRESIDENT'S MESSAGE

Brigada Eskwela

Hope everyone's doing great this week. I am happy to be having our club's joint meeting today with the Rotary Club of Makati Premier District led by President JM Yupangco. We have no other than PDG Oyan Villanueva as our guest speaker. We've got a lot to learn from this well accomplished businessman and Rotary leader.

School opening is next week. The club has once more reached out to Hen. Pio Del Pilar Elementary School 1, one of the schools in our Rotary Community Corps (RCC) community, to support the National Schools Maintenance Week, better known as "Brigada Eskwela" (BE). A yearly program of the Department of Education, BE engages all education stakeholders to contribute their time, efforts, and resources in ensuring that public schools are all set in time for class opening. Our Head of Secretariat, Kai Yarra, represented the club and delivered a speech at the BE kickoff ceremony in the said school.

Speaking of RCC communities, among the new projects the club has lined up is the Repainting of 50 houses at the GK - RCMW Village including the village's RCMW Multipurpose Hall. It has been over a decade since the certificates of ownership were awarded to residents of this community.

The club will also provide three fire extinguishers for use of the core groups who will be attending seminars on fire protection and natural disaster calamities. These fire extinguishers will be kept at the RCMW Community Center.

For our flagship program Gift of Life, we have 39 surgeries completed so far this almost two-months old Rotary Year. We have also so far extended 554 medical assistances from Cong. Paul Daza fund from July 1 to date.

Next schedules for open-heart surgery at the National Children's Hospital will be on August 31, and September 4 & 7, while next schedule for procedures at DLSCMC will be on September 13 for 15 patients.

The District 3830 has also sent our club the notice to proceed on the three cases of PPBV to be done at DLSCMC. Three patients will benefit from this grant for a total of Php100,000 District Grant approval.

Notably, the MOA between RCMW and Phil. Heart Center is now being arranged in order to start our partnership for GOL program soon. Meantime, the GOL global grant is now on its way to completion with the MOU now for signing of our International partner.

Same is true with our Gift of Sight program. As mentioned last week, the global grant application for GOS is currently being completed with the MOU sent to the International Partner for signing.

We thank PP Erwyn Alcomendras and PP Mabel Esteban of District 3830 for following up to fast track both grant applications.

For Gift of Mobility, 10 amputee patients were measured on August 17 at the UERM, an activity attended by Chair Robbie Leviste

and Rtn. Jan Campos. This is on top of the 20 amputee patients who received their limbs on July 17 and 19.

It is also notable that CISCO's Monique Rose Del Rosario, PP Lou del Rosario's daughter, was able to see several RCMW and other projects during her recent Philippines visit. These include the following: Open-heart surgery for GOL patient at the National Children's Hospital; GK-RCMW Village in Taguig City where she plans to start a livelihood program for full-time moms; pediatric wards at the Philippine Heart Center; heart procedures for 9 patients at the De Los Santos Medical Center; and casting of limbs for 10 amputee patients at UERM.

Hope all these gave her enough inspiration for partnerships between the club and her US based company CISCO.

Let me also greet our GOL partner Jaden & Friends a Happy Anniversary! GOL Chair Lemarc Limosnero, Sps. Sheila and the secretariat represented the club in their milestone celebration.

So that's all for our project updates. May we have more fruitful weeks and months ahead. Once again, thank you, Men of Zest for your support. God bless us all!
